

GINSENG (LA1050-500)

Product description

A mix of Korean ginseng (Panax) and American ginseng (quinquefolium). Used to sooth fatigue, to slow down the signs of aging or to improve libido. Ginseng from Land Art also contains pudding pipe tree extract to make the taste milder.

All our ginseng extracts are made from 4 to 6 year old roots and obtained traditionally through a long infusion process. This allows for a better quality and maximum medicinal properties.

Dosage: Adult:

To improve physical state and fatigue: 1-2 tablespoon (15-30 ml)
daily with breakfast.

To delay aging symptoms and/or improve libido: 1 tablespoon
(15 ml) 3 times daily with meals.
